Crèche

Opening Hours

Monday to Friday 8:00am to 12:00pm
For children aged 8 weeks to 5 years.

Saturday 8:00am to 12:00pm
For children aged 8 weeks to 7 years.
The crèche will close at 11:30am if no children are in attendance.

Bookings are essential as places are limited.
Jitterbugs Crèche is a not-for-profit ancillary service for our customers. We aim to keep fees affordable.

Crèche fees

<table>

Just search South West Sports Centre to stay up to date with what is going on around the Centre.
Welcome
Our crèche service is available to all customers of the South West Sports Centre. Jitterbugs Crèche provides a caring environment for your children to enjoy themselves while you are using our facilities.

Parents must remain within the South West Sports Centre while your children are in the crèche. Please be advise our crèche is not a licensed child care service under the Children and Community Services Act 2004.

First visit
First time visitors to the crèche are requested to fill in a Crèche Enrolment Form before leaving your children. These forms are available from crèche staff and assist us to provide the best possible care for your children. All information obtained is kept strictly confidential.

If you have any concerns about your child becoming distressed when you leave, please let us know as we may be able to suggest ways to help your child adjust to the new environment.

On arrival
Children must be signed in on the Attendance Register and signed out on departure. Children can only be collected by the parent who signs them in, unless a prior arrangement has been made with staff.

Emergency
In the case of an emergency, staff will evacuate children from the danger area. Once all children are accounted for and in a safe location, parents may then collect their children.

Illness
To protect your child, other children and staff, please keep your child at home if they display any symptoms of illness.

For example:
• High temperature
• Diarrhoea or vomiting in the last 24 hours
• Conjunctivitis
• Rashes
• Severe cold or flu
• Continual discoloured runny nose

If your child has suffered from a communicable disease, a doctor’s clearance is required before they can return to the crèche.

Head lice
In the cases of head lice, children are not permitted into the crèche until all eggs and lice (dead and alive) have been removed.

Distress
Should your child become distressed while in the crèche, all attempts will be made to settle them. However you may be requested to attend to your child should the need arise.

Accident
Should an accident occur while your child is in the crèche, an incident report must be completed by crèche staff. Parents will be asked to countersign the form to confirm they have been notified and are satisfied with the outcome.

What to bring
• A snack of fruit or vegetable and a drink is a good idea. These must be able to be self-fed by the child. All items should be marked with your children’s name. Babies under 1 year of age can have bottles at any time. Children under 2 years of age can have bottles for sleep or comfort when strapped in a pram.

• Nappy bags with all necessary items. Such as nappies, wipes, disposable bags, bottles (already made up), dummies etc. Please ensure your child has a clean, dry nappy before dropping them off in the crèche. Please mark all items with your child’s name.

• Pram/stroller. These are great for small children if they need a sleep or just to sit in for some comfort.

• Hat and sunscreen. In case we go outdoors.

• We are unable to administer medication. However, please make sure any allergies are noted on the Attendance Register.
